# Malaysian Methodists Need a Fresh Vision of God

By Rev Dr. T. Jeyakumar

Bishop of The Methodist Church in Malaysia

“ Give me  
one hundred  
preachers who fear  
nothing but sin, and  
desire nothing  
but God, and  
I care not a straw  
whether they be  
clergymen or laymen;  
such alone will  
shake the gates of  
hell and set up the  
kingdom of heaven  
on earth. ”

*John Wesley*

All who look at Isaiah chapter 6:1-8 discuss whether this passage speaks of Isaiah's first calling or second calling. If you ask me, I will say it is neither. In the case of Isaiah, I propose that he did have a call earlier. As a result of that calling, he had visions (1:1) and spoke God's word to the people. But he did not identify with the people he spoke to and had no second thoughts about preaching "woe" to others (see 1:4; 5:20). He had been telling people that they were going to be ruined. The prophet needed a fresh vision of God. That was given to him in chapter six. With that vision, he was renewed, he rededicated his life to God, and gained a fresh vision for ministry.

Under king Uzziah, Judah prospered. A prosperous nation made the king proud, so much so he decided that he would offer incense in the Temple (2 Chron. 26). The Lord struck the king with leprosy for his disobedience. On the year that King Uzziah died, Isaiah had a vision of GOD. Isaiah must have come to the Temple umpteen times before. But he did not receive a vision of God. The socio-economic condition of Judah was good. Isaiah must have been quite somebody to be able to get in and out of the Palace as he pleased. Life was good for him and he told others how they must live. But when Uzziah was struck down by God and eventually died, Isaiah turned up in the Temple possibly wondering about the severity with which God had dealt with the king. That was when he lifted his eyes upward and had a life-changing vision.

Isaiah saw God seated on the throne. He saw God in His sovereignty. He saw God in His holiness. The temple was filled with smoke (a symbol of the presence of God). He heard the angelic beings call out "holy, holy, holy." Isaiah probably understood why God was severe with Uzziah. It was because HE was the thrice holy God. We need to remember that God is a very, very, very holy God who expects holiness of lives from us.

When Isaiah saw God in His holiness, he was convicted of his own sins. He realized that he was not any different from the people he spoke to. Then he said, "Woe is me. I am a man of unclean lips." Only when we feel the wretchedness of our sins, God's cleansing can come over us (vv. 6-7). It is only when we admit our sins that we become most useful to God.

Why did Isaiah need a vision of God and a conviction of sin? Was he not already doing ministry and giving prophetic word to the nation?

In the year that King Uzziah died I saw the Lord sitting upon a throne,  
high and lifted up; and the train of his robe filled the temple.  
Above him stood the seraphim. Each had six wings: with two he covered  
his face, and with two he covered his feet, and with two he flew.  
And one called to another and said:

"Holy, holy, holy is the Lord of hosts;  
the whole earth is full of his glory!"

And the foundations of the thresholds shook at the voice of him who  
called, and the house was filled with smoke.  
And I said: "Woe is me! For I am lost; for I am a man of unclean lips, and  
I dwell in the midst of a people of unclean lips; for my eyes have seen  
the King, the Lord of hosts!"

Then one of the seraphim flew to me, having in his hand a burning coal  
that he had taken with tongs from the altar.  
And he touched my mouth and said: "Behold, this has touched your lips;  
your guilt is taken away, and your sin atoned for."

And I heard the voice of the Lord saying,  
"Whom shall I send, and who will go for us?"  
Then I said, "Here I am! Send me."

Isaiah 6:1-8 (ESV)

It is possible to do ministry mechanically, routinely and unthinkingly. It is possible to lose the passion for the God-given task and lose the compassion for the people we minister to. If you and I are not careful, it can happen to us. We can come to a point where ministry is no more about God, or people, or gospel or missions.

Graham Scroggie was a famous Bible expositor/teacher in the 1900s in Britain. On one occasion while ministering he was taken ill. During the illness he had much time for self-reflection. After a period of prayer, he came to the conclusion that he was a preacher for his own sake. So in tears he rededicated his life to be God's man for the works of ministry. He recovered from his illness and served God for many more years. It is possible that after some time, ministry is not about God and people anymore. Ministry could unfortunately be for the sake of our own position, pleasure and power.

Then Isaiah heard God say, "Whom shall I send? Who will go for us?" After the vision and after the cleansing, Isaiah was all ready to submit to the will of God. He was willing to go wherever and to whoever God would send Him.

John Wesley said, "Give me one hundred preachers who fear nothing but sin, and desire nothing but God, and I care not a straw whether they be clergymen or laymen; such alone will shake the gates of hell and set up the kingdom of heaven on earth."

Thankfully there are still people who are experiencing renewal, responding to God and shaking up the gates of hell. About two decades ago I think, 100,000 Korean youths pledged to spend a year overseas sharing the word of God. In 1975 there were 300 Christians in all of Nepal. Today, it is estimated that there are 1 million Christians there. We, Malaysian Methodists, need a fresh vision of GOD in order to experience a renewal in our lives and a revival in the church.

## Beyond The Broken Wall

Rev. David Loo

Look, perceive, beyond the broken Castle wall;  
Life is more than bitter wormwood and the gall.  
Brokenness is but a gateway to the sacred ground;  
Woundedness, a waking to the holy prompt once drowned.

Breaches are where raiders storm and swarm;  
Yet they grant a glimpse to quiet rest so warm.  
No more bastion granting confidence in might;  
Save for the Chapel, calling out to all in plight.

Come Home, Warrior, to the power of bended knees;  
Grasp the altar horns with supplication pleas.  
Call upon the might of One, the Lord of Hosts;  
He slumbers not, but recompenses boasts.

Broken swords and pierced vests he knows too well;  
He makes instruments of peace from souls destined for Hell.  
If I should perish, I perish so in faith divine;  
If I should live, my life is His and never mine.

Look no more upon the broken wall and ruin;  
Rebuilding comes later when new things begin.  
Retreat for now; find healing to your broken soul;  
He Loves, He heals; he makes the wounded whole.

# God Given Opportunity to Serve the Community in 2021

By Rev. Vijayadass

Monsoon season in the East Coast of Malaysia started at the end of December 2020 and into the beginning of January 2021. Continuous downpour started in the evening of 2nd January 2021 and continued the next day. Rivers burst their banks and overflowed to villages and the low-lying areas of Taman Bintang, Cheroh, Raub, Benta, Mentakab, Jerantut, Maran, Kuantan, Pekan and other rural areas. Many residents were caught unaware and had to evacuate their homes. Fire fighters came to rescue many flood victims from their homes.

When news of the flood and damage was received, Bishop Dr. Jeyakumar, together with a team from the Methodist Crisis Relief and Development (MCRD) and some volunteers from the Eastern district churches went to Benta on 10 January 2021 to help the flood victims there. Many people had lost everything as the water level had risen up to the roof tops of many houses.

To further help in the relief work, Cheroh Methodist Church also donated some provisions to families who sought shelter in a Hindu temple. MCRD also provided financial aid of RM300 to about 56 families comprising Indians, Chinese and Malays.

On 17th January 2021, a team from TMC Raub and Cheroh together with Rev Guok (Chinese Methodist Church Raub) distributed financial aid to all the families in Cheroh affected by the flood.

Truly it was a joy to be able to help the flood victims. Despite the risk of Covid-19, we trusted our Lord and went forth to help those in need.

On behalf of our Tamil Annual Conference (TAC) and our local churches, we want to thank MCRD for their volunteers and assistance in helping the people in Cheroh.

## 2021ல் சமூதாய சேவை செய்ய தேவன் அருளிய ஒரு வாய்ப்பு

மலேசியாவின் கிழக்கு கடற்கரையில் பருவமழை என்பது நம் நாட்டில் பொதுவான ஒன்று. பொதுவாக இந்த பருவ நிலை நவம்பர் அல்லது டிசம்பர் மாதங்களில் தொடங்கும். ஆனாலும் 2020ல் இது தாமதமானது. இந்த பருவ மழை 2020 டிசம்பர் மாத இறுதியில் மற்றும் ஜனவரி 2021 ஆரம்பத்தில் தொடங்கியது. 2021 ஜனவரி 2 மாஸையில் தொடங்கிய அடை மழை அடுத்த நாள் வரை தொடர்ந்து பெய்தது. மாலை வேளையில் ஆற்றில் நீர் மட்டம் பெருகத் தொடங்கியதும் நிலப் பகுதிகளுக்கு, குறிப்பாக தோட்டப்புறங்களிலுள்ள தாழ்வான பகுதிகளுக்கு நீர் நிரம்பி வழியத் தொடங்கியது.

தாமான் பிந்தாங், செரோ, ரவனூப், பெந்தா, மெந்தகாப், ஜெரான்டூட், மாரான், குவாந்தான், பெக்கான் மற்றும் இதர தோட்டப்புறங்களில் இந்த வெள்ளச் செய்தி பரவத் தொடங்கியது. நீர் மட்டம் திடீரென அதிகரிக்கத் தொடங்கியதால் மக்கள் தங்கள் உயிரை காப்பாற்றிக்கொள்ள வீட்டை விட்டு வெளியேற வேண்டியதாயிற்று. சில பகுதிகளில் தீயணைப்பு வீரர்கள் வந்து வெள்ளத்தால் பாதிக்கப்பட்டவர்களை காப்பாற்ற அவர்களை வீடுகளில் இருந்து வெளியேற்றினர்.

நமது மெதடிஸ்ட் திருச்சபையின் பொது மாநாட்டின் அத்தியட்சர், அருட்திரு. டாக்டர். டி. ஜெயகுமார் மற்றும் மெதடிஸ்ட் நெருக்கடி துயர்நீக்கம் மேம்பாட்டு குழுவினர்கள் வந்து, குவிந்த குப்பைகள், இடிபாடுகளை அகற்றும் புகைப்படங்கள் புலனம் (வாட்ஸ்ஸாப்) குழுவில் பகிரப்படும் வரையில் பெந்தாவில் வெள்ளத்தினால் ஏற்பட்டச் சேதங்கள் குறித்து எங்களுக்கு தெரியாது. இது எங்கள் அனைவரின் கவனத்தை ஈர்த்ததின் நிமித்தம் தொடர்ந்து நமது தமிழ் மெதடிஸ்ட் திருச்சபையின் அத்தியட்சர் டாக்டர் அருட்திரு. டெனில் ராஜ் அவர்கள் பெந்தாவில் பாதிக்கப்பட்ட மக்களுக்கு உதவும்படியாக கிழக்கு மாகாண திருச்சபைகளுக்கு விடுத்த அழைப்புக்கு இணங்கி கடந்த 2021 ஜனவரி 10ஆம் தேதி கிழக்கு மாகாண திருச்சபைகளிலிருந்து தமிழ் மெதடிஸ்ட் திருச்சபை ரவனூப், செரோ மற்றும் பெந்தோங்கிலிருந்து ஒரு குழுவாக பெந்தா பகுதிக்கு சென்று அத்தியட்சரோடு இணைந்து வீடுகளை சுத்தம் செய்தோம். இந்த வெள்ளத்தால் ஏற்பட்ட பயங்கர சேதத்தை எங்களால் நம்ப முடியவில்லை. நீர் மட்டம் வீடுகளின் உட்கூரையின் உச்ச வரம்பு வரை எட்டிச் சென்றதால் மக்கள் எல்லாவற்றையும் இழந்து விட்டார்கள்.

இப்படிப்பட்ட நேரத்தில் திருச்சபையாக வெள்ளத்தால் பாதிக்கப்பட்ட மக்களுக்கு ஏதாவது செய்ய வேண்டுமென உணர்ந்தேன். எனவே எங்கள் செரோ திருச்சபை அங்குள்ள இந்து கோவிலில் அடைக்கலம் புகுந்த மக்களுக்கு மளிகைப் பொருட்கள் கொடுத்து உதவ முடிவு செய்தது. அந்த ஆலயங்களின் நிர்வாகக் குழுவினர் எங்கள் பங்களிப்பை பெற்றுக்கொள்வதில் மகிழ்ச்சிக் கொண்டனர். இதனை குறித்து எனது மன பாரத்தை எங்கள் மாகாண குழுவில் பகிர்ந்துக்கொண்ட போது, நமது மெதடிஸ்ட் நெருக்கடி துயர்நீக்கம் மேம்பாட்டின் (எம்.சி.ஆர்.டி) சகோதரர் ஜேக்கப் அவர்களிடமிருந்து இந்த வெள்ளப் பேரிடரினால் இழப்பை சந்தித்த குடும்பங்களை நான் அடையாளம் காணும்படியாக எனக்கு அழைப்பு வந்தது. என் உள்ளம் மகிழ்சியால் கர்த்தரில் கனிகூர்ந்தது. செரோ சபைத் தலைவர்களிடம் கணக்கெடுப்பு செய்யும்படி கேட்டுக்கொண்டேன். இன வேறுபாடு இன்றி இந்தியர்கள், சீனர்கள் மற்றும் மலாய்க்காரர்கள் என 56 குடும்பங்களை அடையாளம் கண்டார்கள். ஒவ்வொரு குடும்பத்திற்கும் தலா ரி.ம300.00 வழங்க மெதடிஸ்ட் நெருக்கடி துயர்நீக்கம் மேம்பாடு (எம்.சி.ஆர்.டி) ஒப்புக்கொண்டது.

17 ஜனவரி 2021 அன்று த.மெ.தி ரவனூப் மற்றும் செரோ ஒரு குழுவினர் அருட்திரு குவேக் (சீனர் மெதடிஸ்ட் திருச்சபை, ரவனூப்; போதகர்) செரோ சென்று அந்தப் பகுதிகளில் வெள்ளத்தால் பாதிக்கப்பட்ட குடும்பங்களுக்கு நிதி உதவி வழங்கினோம்.

வெள்ளத்தால் பாதிக்கப்பட்டவர்களுக்கு உதவுவது ஒரு மகிழ்ச்சியான தருணம். கோவிட்-19ன் நெருங்கிய தொடர்புகள் இருந்த போதிலும், எங்கள் குழு தேவன் பேரில் விசுவாசம் வைத்து தைரியத்தோடு மக்களுக்கு உதவ முன் வந்தது. நமது தமிழ் வருடாந்திர மாநாட்டின் (த.வ.மா) சார்பில் எங்கள் ஸ்தல சபை செரோவில் மக்களுக்கு உதவ இந்த வாய்ப்பை வழங்கிய எம்.சி.ஆர்.டிக்கு எங்கள் நன்றியை தெரிவித்துக்கொள்கிறோம்.

அருட்திரு. விஜயதாஸ்

# Playing Our Part in the Fight against Coronavirus

Methodist Centennial Park, Sibu Serves as Quarantine Centre

By Rev Jonathan Wong • Translated by KT Chew

On January 11, 2021, the Sibu Resident Office wrote to inform that the authority needed to commission the Methodist Centennial Park as a quarantine centre. All Board members were in agreement and felt that participating in such a major social service is our duty as a church as well as our responsibility to go through adversities with the people.

On the afternoon of January 15, we accompanied two young doctors to inspect the Park and we placed 3 Gideon bibles in each room: Chinese, English and BM.

After three days of cleaning and preparation, patients started coming in on January 19. Now there are 94 patients, all indigenous people with minor symptoms. The doctor in charge of the quarantine center is an indigenous brother-in-Christ. Other medical staff include doctors, nurses and supporting staff like chefs and cleaners.

The main building of Centennial Park is a five-storey building with the main entrance on the third floor where the nurses' station is set up. The room to the left of the office is the consultation room and the office for the quarantine centre is located at the front of the small auditorium. At the end of the walkway is the doctor's room. Health Department

chefs stay on the second floor where the kitchen is also located. Patients are all housed on the fourth and fifth floors. Each one is restricted to his/her own room and meals are delivered to the door.

## Becoming the green pastures by quiet waters

As the pandemic rages on, we pray as a church for the flattening of the curve. As soon as we were ready, we handed Centennial Park over to the authorities in support of the fight against the virus.

We pray that Centennial Park will be a refuge to those who come through its doors and that healing of body, soul and mind will take place. Centennial Park is situated by a lake and we pray that the medical staff, patients and their families can experience "the green pastures by quiet waters" and encounter our living God.

UNITED STATES

Dear Mrs Fowler,

It is with deep regret that we learn of the passing of your beloved husband, the late Dr Andy Fowler. Please accept my deepest sympathies on behalf of The Methodist Church in Malaysia.

We remember and appreciate the good work of Dr Andy Fowler who taught at the Sibu Methodist Theological School and Seminari Theoloji Malaysia. You will be pleased to know that both the schools still thrive today with good intake of students and a wide variety of theological courses.

The work that both you and your late husband have done for The Methodist Church in Malaysia, especially for the indigenous Iban people in Sarawak over the years have been instrumental. The Sarawak Iban Annual Conference now have more than 40 pastors.

It would be difficult to measure the impact Dr Andy Fowler has had on the many people’s lives he had touched personally. His commitment to serving God, helping others and our community has left us with a wonderful legacy.

We are indeed saddened to lose him but we are also reassured and comforted that his task on earth has been completed and he has been faithful to our Lord. We pray that the Holy Spirit will comfort you and your family at this time.

Blessings,

Revd. Dr. T. Jeyakumar  
Bishop

**\*Note : Thus far all the approved vaccines have shown near 100% ability to prevent severe Covid cases and deaths from Covid.**

Chart 7 : Points to Note...

Condition	What Is It ?	Medical Facts	Covid - Vaccine Statistics	Precautions
<b>Allergic Anaphylaxis Rxn</b>	An acute reaction to the vaccine that can be life threatening. Most occur within 30 mins of the injection.	1/1,000,000 vaccination. Medically with prompt treatment, easily reversed.	0.22 to 1 / 100,000 vaccination (10 x more frequent than incidence from other vaccine injection)	<ol style="list-style-type: none"> <li>1. People with h/o of anaphylactic reaction before to avoid vaccination for the moment</li> <li>2. People with h/o of allergies to consult and inform their doctors before taking the vaccine in a properly equipped vaccination centre.</li> <li>3. Stay at least 30mins after receiving the vaccine injection for observation.</li> </ol>
<b>Bell's Palsy</b>	An idiopathic unilateral facial nerve palsy. 80-90% resolves within 6wks to 3mths with or without intervention.	Normal incidence is 15-30/100,000 popn.	Post Covid Vaccine incidence is 17.7/100,000 popn** (Combined Pfizer & Moderna stats)	Be aware <b>Correlation ≠ Causation</b>
<b>Antibody-Dependent Enhancement (ADE)</b>	"Inducing new antibodies that do not protect against the virus but which actually makes a future viral infection worse"	ADE is known and seen in research vaccine esp for Dengue.	Thus far have not been clinically proven in any Covid-19 Vaccine recipient.	Medical authorities and scientist are aware of this possibility and am keeping a look out for any "unusual side effects" including ADE.
<b>Auto-Immune Condition</b>	In response to an unknown trigger, the immune system may begin producing antibodies that instead of fighting infections, attack the body's own tissues.	There are anywhere from about 80 to 100 types of Auto-Immune conditions. US statistics : $\approx 7\%$ of the popn suffer from Auto-Immune conditions.	Thus far no auto-immune conditions have been conclusively linked to any Covid vaccine. This is not surprising as Auto-immune conditions takes time to manifest.	Auto-Immune conditions remain a definite remote possibility and medical authorities and scientist are diligently on a look-out for such theoretical long-term side-effects of the Covid vaccines

### Concluding remarks:

The Covid-19 Pandemic has to date (2<sup>nd</sup> March 2021) affected **114,428,987 people** resulting in at least **2,538,582 deaths**, an extremely high toll in human lives by any reckoning. We are thankful for the rapid development of the Covid vaccines within a very short span of about 9 months. To date **245 million doses** of the Covid vaccine have been administered in **107 countries** at a rate of about **6.79 million doses/day**.

Although the overall **infection fatality rate for covid-19 is  $\approx 1.4\%$** , (*crude mortality rate is  $\approx 0.28\%$* ) depending on your age, gender, comorbidities it can fluctuate from  **$\approx 0.02\%$  (0-9yrs) to  $\approx 14.3\%$  ( $\geq 75$ yrs)**.

Yes I would agree that the current Covid-19 Vaccines are all not perfect. If we want to wait until a perfect vaccine with only 'minimal' side effects, both immediate and/or long-term be tested, proven and certified which will possibly take 2 to 5 years minimal. How many more lives need to be sacrificed on the altar of theoretical side-effects & possibilities ? This is something for all of us to consider and answer.
